

FOSTER HOME APPLICATION

Thank you for your interest in becoming a life-saving foster parent for a homeless cat or kitten! Please carefully read, then sign the following:

I am over the age of eighteen (18) and am interested in helping Project Purr as a volunteer foster parent. All of my animals are current on **ALL** their vaccinations. I understand that Project Purr foster animals will be vet-checked, FeLV/FIV-tested, and vaccinated (rabies and FVRCP), unless they are underage for any of these procedures. I also understand that the history of most foster animals is unknown and Project Purr will not be responsible for any inadvertent exposure of foster parents or their own animals to unknown disease or other medical condition. I knowingly accept this risk on behalf of myself and my own animals.

I understand that Project Purr expects foster parents to follow good hygiene practice at all times and strongly suggests keeping the foster animal isolated from other animals for a minimum period of ten days (inclusive of initial stay at the veterinarian) when the animal is first introduced into the home.

I will consistently bring my foster animal to scheduled adoption events as notified by Project Purr. I understand that my foster animal must be adopted out through Project Purr adoption procedures (including an application and interview). If the foster animal is given away, lost, adopted or killed while in my care, I realize that I may be liable for the adoption fee.

I will provide a humane environment (adequate in size and free from hazards), loving attention and proper care for my foster animal. I understand that Project Purr has the right to remove any animal from a foster home, at any time, for any reason. I will transport my foster animal to a veterinarian when necessary and will keep a record of the animal's name and admit ID number to be given to the veterinarian at the time of service.

I pledge to continue providing foster care until such time as my foster cat is adopted. If I must go out of town for any reason, I will arrange for someone to come and stay with my foster cat(s) during my time away.

I authorize Project Purr to contact any person or entity named in this application to verify information given. A Project Purr representative may visit my home before this application is approved or during the time that I am fostering an animal for Project Purr. I understand that Project Purr will not be liable for any injury or damage to persons or things caused by a foster animal in my care and I agree to indemnify and hold Project Purr harmless from any such injury or damage.
